

Each year, it is an honor and tradition for the Villa Grade 8 students to serve as assistants at the annual Gala Auction. Their spirit and energy add much to this important event and we hope to have 100% participation.

Grade 8 Volunteers Palm Beach Getaway Villa Academy Gala Auction 2010

Student Assignments: All students will be assigned specific jobs throughout the evening. Your student will hear a description of these jobs during homeroom. They will turn in their job preference forms to their homeroom teachers by February 5th. When they are not on a specific assignment, they are expected to remain in the EDP room where movies, dinner, beverages, and snacks will be provided.

Clothing: Students should wear a **white collared shirt** with either **black pants or a skirt** (skirt length should follow Villa Handbook guidelines). Comfortable shoes are essential as students will be on their feet much of the evening. Students must wear a watch, as they are responsible for reporting to their jobs on time.
