This is a club for writers. Everyone writes, even the instructor. Those who commit to the club are doing so with the understanding that they will sometimes write quietly for up to 30 minutes at a time.

At the beginning of each session, the students and instructor will discuss a creative writing idea, spark, or quirky language activity. Everyone is expected to follow the prompt. After the introduction, everyone writes for about 30 minutes. At the end of each session there will be time for sharing.
