*The University Village Office Depot also has copies of our supply lists for your easy reference.*

# Middle School Organizational System

As part of the Middle School Study Skills and Organization program, the students are expected to continue using our organizational binder system. In order to accommodate the students' desire for some choice, each student is able to provide his/her own binder and dividers for 8 classes as long as they meet our requirements.

**Please refer to the following specifications when purchasing your binder system.**

- **choice of one three-hole 3" binder or two 2" binders**
- **8 dividers (with or without pockets)**
- **one pencil pouch for binder**

You may provide any style three ring binder for school, but it should be very sturdy and able to accommodate a homework planner, a pencil pouch, and materials given to your student by his/her teachers.

Please send these materials to school on the first day of school.

Enjoy your vacation!
