

PowerSchool

Parent and Student Access

Overview

Whether you want to view your student's attendance and grades or simply email a teacher, you can do it all using PowerSchool.

Logging In

Open your web browser to our school's PowerSchool web site: <http://ps.thevilla.org>

Then, enter your Username and Password, provided to your student.

Menu Bar

Grades and Attendance

Here you can do the following

- send an email to the teacher
- view grades and assignments
- view absence and tardy summary

Grades History

View final grades from past terms of the current school year.

Attendance History

View attendance and details.

Teacher Comments

View any student notes left by the teacher (*assignment notes* are found on individual assignments, in Grades and Attendance).

Notes

1. **Links:** Any text in blue is a clickable link!
2. **Navigation:** because this is a secure web interface, we have noticed occasional issues with using the "back" button on some browsers. To avoid this issue, use the menu buttons to move from one section to another, rather than the "back" button.
3. **My Calendars:** Click here for additional feature of adding assignments to calendaring programs like iCal. Note: while this feature works, it is currently not supported by Villa Academy Tech Dept.
4. Also, the following buttons are **not currently being used:** School Bulletin, Class Registration, Balance
