

Science Adventures on Mondays

Extreme Earth - November 2, 9, 16, 23, 30

Travel from pole to pole and dig deep into the extreme and amazing world of geology. Discover the science of our planet, as we explore the processes that make the Earth shake. Come face to face with the awesome power of weather. From tornadoes to volcanoes, we're on a mission to prove that science ROCKS!

Space Explorers - December 7 & 14 and January 4, 11, 25

Reach beyond the sky and explore the final frontier on an amazing adventure through the solar system! Discover how robots and astronauts explore far away worlds and investigate the science behind the rockets that send them into space. Blast off on a journey to the outer reaches of our universe!

Wildlife Safari - February 1, 8, 22 and March 1, 8

Are you ready to go wild? Grab your gear! We're going on a Wildlife Safari! Join us for a journey into the heart of the animal kingdom as we dissect an owl pellet, make a crocodile, and discover the life cycle of a frog. Come along on a spine tingling adventure to uncover what makes each group of vertebrates wild!

Invention Dimension - March 15, 22, 29 and April 12, 19

Pour in some science and then mix in some imagination. What do you get? Club Invention Dimension! Children will discover and create amazing inventions. They launch a marshmallow across a room with a Medieval Lever, discover how the Wright Brothers conquered the sky, and build their very own motorized pen to become a certified "Ingenious Inventor"!

Dates: Mondays – see above

Time: 3:15-4:15pm (Students should go to EDP for snack before class)

Location: Lower School Science, Room 234

Cost: \$85/session or \$320/all four sessions
(Enrollment or cancellation must occur one week before the start date of a session.)

Science Adventures (2009-2010) Registration Form
* **RETURN THIS FORM TO THE MAIN OFFICE** *

DO NOT ATTACH A CHECK; YOUR TUITION ACCOUNT WILL BE BILLED
