Dear Villa Academy Families,

A retrospective on last week, a most busy and exciting week, draws attention to the very positive energy and initiative of our students on many fronts. Catholic Schools Week afforded us ample opportunities to see the children engaged in the following:

- Community service through the “Change for Haiti” relief fund drive. Villa is featured in the February 4, Catholic Northwest Progress;
- Public speaking and musical opportunities at the school liturgy and weekend liturgies at St. Bridget Church;
- Athletic success of our 7th grade boys in the CYO Championship game over the weekend, as well as Maddie B. and Jenay M., 8th graders representing Villa on the St. Joseph girls team that went to the playoffs;
- Neighbor appreciation with cards and primroses to our immediate neighbors on the perimeter of campus;
- Talent galore as evidenced at the two Talent Shows.

Need I say more? We are delighted to see the spark, spunk, and energy of our students in full throttle. Educating the whole child encompasses all areas - academics, the arts, athletics, and outreach to others. Thank you for your ongoing support of the children and their teachers on the home front. Student life is alive and well at Villa Academy!

Evening with the Board of Trustees and the Head of School: Please join us in the Theater tonight at 7:00pm!

God Bless,

Polly Skinner
Head of School
